SIGGY AND HEATHER | TRIP TO SOUTH WEST COAST - CANADA | 9TH SEPTEMBER 2016

Pretty uninspiring 4hrs driving today. To date we have travelled over 2000kms since arriving in Vancouver on 31st Aug. Kelowna is our next destination - 2 weeks in a house swap. Then it is on to another house swap in Canmore near Calgary (2 weeks) before driving to Vancouver for a few days after which we fly on to Hawaii for 2 weeks.

**GREY NOMADS** Retired? Heading south for the winter? Canadians who do this are called "snowbirds".

**CARIBOU WHO?** Had to laugh when our GPS lady directed me to the Curry Boooo Highway.

**WASHROOM?** Where are the toilets? Toilets? She did not know what I meant! You mean washroom? Mmmm. Smiles all round - "see what you mean - I guess not much washing goes on in the washroom"!!
